PHILADELPHIA — Drinker Biddle & Reath was named the number one insurance law firm for All Legal Matters in the Reactions Legal Survey 2015, a key industry benchmark for firms with insurance and reinsurance practices.

“This outstanding recognition validates our strategic commitment over the years to serve the insurance industry, and our team’s efforts to deliver those capabilities to the marketplace,” said Andrew C. Kassner, Chairman and CEO of Drinker Biddle. “The firm is especially honored to have been voted the number one firm by in-house lawyers from legal teams throughout the world, and we are grateful to all those who thought highly enough of our practice to vote for us.”

“This is a well-deserved honor. Drinker Biddle is a winning combination of legal acumen and sound business judgment, and their client service is second to none,” said Bryan R. Newcombe, Vice President, Secretary and General Counsel at Legal & General America, Inc.

Reactions noted that the firm’s Insurance practice has handled some of the highest profile transactions in the insurance industry in recent years. For more information about the transactions, read the [Reactions Legal Survey 2015](#), which starts on page 31.
